## Weddings

Located in a unique greenbelt of Dallas County where forested hillsides and canyons still support abundant wildlife, Dogwood Canyon Audubon Center protects over 200 acres and is an important stopover location for migrating birds. The preserve provides a unique opportunity to host your wedding or special event in a natural setting with the convenience of being only a few miles beyond Dallas city limits.

We offer flexible space and can accommodate anywhere from a simple outdoor ceremony for a few close family and friends to a larger event with up to 100 guests and exclusive use of both available rooms and the outdoors. With floor-to-ceiling windows overlooking the forest, our Trout Lily room can accommodate up to 75 guests banquet-style or 100 theater-style. Our smaller Cedar Elm room can be used as a staging room, extra party space, or host your entire event of up to 35 guests banquet-style or 50 guests theater-style.

All wedding packages include the following:

- Tables (indoors) and chairs (in the outdoors, chairs are limited to use on paved surfaces & the basin deck)
- 15% off retail price of wedding favors, place card holders and other products ordered through Dogwood Canyon's Nature Store at least four weeks prior to the event. See the online product catalog at [www.fashioncraft.com](http://www.fashioncraft.com) and contact Dogwood Canyon to order (Michaela – (469) 526-1987).
